Dear Colleague,

It is my pleasure to inform you that your abstract has been provisionally accepted for presentation at the Linguistic Impoliteness and Rudeness Conference to be held at Manchester Metropolitan University on 12th-14th July 2016. Could you please re-send your abstract including a list of references your paper is based on within a week of receiving this notification? The reviewers have also pointed to a rather broad focus of your proposed paper. They have made a suggestion for you to narrow its scope so that your research questions are addressed in a more focused way.

Registration and accommodation details will be going live on the webpages by the middle of next week.
